| C. Slide      | G. Display Stand |
| D. Base       | H. Spring        |

1

**Insert pin (A) into spring (H). Push firmly into front bottom of slide. Hold spring down with finger to avoid popping out.**

2

**Combine the slide (C) with the base (D) by pushing them together.**

3

**Drop Slide lock (B) into hole. Push slide back until it aligns with the small indent, set into place. Slide should easily move back and forth.**

4.

**Insert dummy rounds (E) into magazine (F).  
Push magazine into bottom grip.**

Display on stand (G). Finished result!  
Time to show off your GoatGun!
